Great XXpectations in Women's Health Research 2nd Annual Celebration of Women's Health Research Mayo Civic Center, Rochester MN September 14, 2018

September 14, 2018 marks the second annual celebration of Women's Health Research at Mayo Clinic. This year's symposium will be held as a post-conference session of the [Individualizing Medicine Conference](#), and will emphasize the importance of considering sex and gender as critical factors to individualizing medicine. This event will highlight the breadth of research in sex and gender-based medicine and women's health across Mayo Clinic and beyond. We invite you to come and share your latest and greatest research in the areas of women's health and sex-differences in human physiology and disease.

Abstract Deadline: July 31, 2018

All abstracts that are successfully submitted for this event will be presented as a poster. The top abstracts will also be invited to give a short oral presentation. Abstracts and posters that have been presented recently at a national or international meeting are eligible for submission.

One of the authors must be present for the event.

Participants from Mayo Clinic AZ and FL may be eligible for travel reimbursement.
